

# THE NATIONAL BOHEMIANS

## Rock-n-Roll from the Band of Pleasant Listening

**Since 2017, The National Bohemians have been bringing their signature blend of rock-n-roll to venues up and down the East Coast.** Their eclectic catalog spans decades, packed with deep cuts and fan favorites from legendary artists like The Rolling Stones, The Beatles, Bob Dylan, The Grateful Dead, Pink Floyd, Led Zeppelin, Tom Petty, Pearl Jam, The Black Keys, and so many more.

The National Bohemians features Baltimore music veterans Mark O'Dell (guitar, lead vocals), Matt Pugh (drums), and Jeremy Robinson (bass, vocals).

**With strong vocal performances, tight musicianship, and an eclectic song selection, the trio delivers a sound that feels far bigger than three players — you have to hear it to believe it.**
